Dear Paul:

A confidential record sheet and a copy of Robert Kredel's signature is enclosed.

You may be aware that we are being sued by the Explorer who was molested by Mr. Kredel; however, all of the charges have been dropped so no legal action has taken place. Unfortunately we do not have any news clippings which could substantiate the initial charges that were made.

Sincerely,

W. Robert Booker

SUBJECT: Robert E. Kredel

Dear Buford:

On April 15, we wrote to you concerning the above named individual after indications that an Explorer had been molested by Mr. Kredel. We have not heard from you since that time and wonder if any information had become available which would help us to set up a confidential file and refuse registration applications.

I am enclosing a Confidential Record Sheet which I would like completed with as much information as you have available. We would also like a copy of an application with Mr. Kredel's signature as this aids in the identification process.

If any legal action has now taken place, please give us copies of court records, newspaper clippings or other material which would substantiate our refusal of registration.

If we can be of any help to you, please let us know.

Sincerely,

Paul Ernst, Director

Attention: Claims

Gentlemen:

This office represents [REDACTED], a minor, who was a member of the Explorer Scouts Post Number 24 at the City of Irvine Police Department.

My client was sexually molested by an explorer scout leader by the name of Robert E. Kredel while participating in several scouting activities. The incidents referred to occurred in November, 1984, and the Spring of 1985.

It is my policy to offer all potential litigants the opportunity prior to commencing litigation to discuss an out-of-court settlement. For that reason, I am writing at this time to suggest that this matter be referred to your liability insurance carrier, or claims department, as the case may be.

I await your timely response.

Sincerely yours,

Spencer R. Alter
